Sir/Madam

Greetings from BCSEA.

Amidst the Covid-19 and the preparation towards the new reality, we would like to move towards what our education system aspires to achieve.. In line to this, we would like the schools to take note of the following;

1) New curriculum in Accountancy has begun this academic year 2020.
2) Question pattern for the new curriculum.
3) In the New curriculum, there is no project work.
4) There will be practical examination of 20% conducted and assessed by the subject teacher in the school before the board examination.
5) Detailed Instructions, Score sheet and Rubrics for the conduct and assessment of practical examination is attached with this documents. Additionally these documents will also be available in the BCSEA website. (* refer assessment component, www.bcsea.bt)

Kindly contact the concerned Subject Coordinator @ 02322347 or sapnasubba@bcsea.bt.

Wishing you a successful and safe academic year.
