Subject: Registration Open for Test Development Workshop

Dear Schools,

We are pleased to announce that online registration for the Test Development Workshop is now open. We kindly request schools to register interested teachers for this workshop before the deadline. The online portal will remain accessible until 31st May. Please note that no requests will be accommodated after the deadline.

Selection for participation will be based on the specified criteria outlined in Guidelines for Selection of Officials for Council Examination Duties 2021 document available on our website. BCSEA urges you to register eligible teachers before the deadline. Your support in this matter would be greatly appreciated.
